

Objective: This 750 clock hour, 30 week diploma program provides the student with the opportunity to obtain two limited licenses, Esthetics and Nail Technology within the exciting field of cosmetology. This program will teach the student the basics of manicuring, pedicuring, and nail enhancements as well as customized facials, skin analysis, pre-and post consultations, temporary hair removal and basic makeup techniques. When the student completes this program he/she will be eligible to sit for the Pennsylvania State Board examinations in the areas of Esthetics and Nail Technology.

Total Hours		750

750	Hours
30	Weeks

All efforts will be made by Douglas Education Center instructors to train students in the skills needed to successfully pass the licensing or certification examinations required to practice in their chosen field of study. All students will be eligible to sit for, or take, the licensing and/or certification examinations upon completion of their program of study, but DEC cannot guarantee that each student will successfully pass the licensing or certification examination required by the licensing body for their program of study.

For more information about graduation rates, median debt of students who completed the programs, and consumer information, please visit: www.dec.edu/esnt

Douglas Education Center has established an Educational Advisory Board. The purpose of the Board is to ensure that the curriculum is consistent with current job market trends and opportunities. Upon recommendation of the Board, Douglas Education Center reserves the right to make program changes to achieve the goal of job placement. Changes are made with the approval of the Pennsylvania State Board of Cosmetology and the Accrediting Council for Independent Colleges and Schools.
