

**ALL**  
**Douglas Education Center**  
**Staff, Instructors, Students**  
**and Visitors MUST Wear Masks**

**PREVENTION**  
**OF COVID-19**  
**SPREAD**

Greetings Students,

Before Douglas Education Center (DEC) officially reopens, we wanted to make you aware of what we are doing to keep students and employees safe when we re-open our facilities.

The Pennsylvania Governor has implemented a phased reopening plan for the state. DEC is in a county that will be in the **Green Phase** on June 5th, which requires us to follow CDC and PA Department of Health Guidelines for the foreseeable future. The **Green Phase** does not mean fully return to normal.

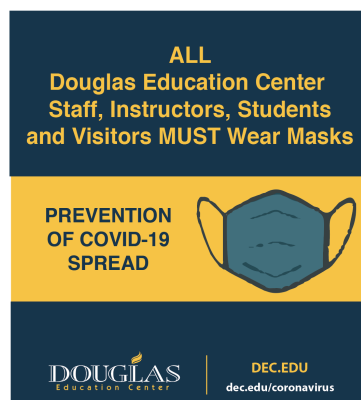

Several weeks ago DEC put together a COVID-19 Pandemic Team to create a comprehensive reopening plan that followed all health and safety guidelines from the CDC and Pennsylvania Department of Health regarding COVID-19 safety.

In accordance with CDC and PA Department of Health Guidelines DEC has taken the following steps:

- **Everyone in a DEC facility is required to wear a mask**
- **Everyone entering a DEC facility will have their temperature taken**
- DEC has purchased temperature verification kiosks and no contact thermometers
- Social distancing is required
- Installation of physical barriers and Plexiglas in numerous buildings around campus
- Modifications have been made to buildings to reduce traffic flow
- Schedules have been modified
- Some areas of buildings have been temporarily closed
- Equipment and seating have been re-arranged to ensure social distancing
- New cleaning and disinfecting equipment have been purchased and new cleaning procedures have been adopted

DEC is committed to providing safe and healthy facilities for our students, employees, and visitors to ensure the lowest likelihood of COVID-19 exposure while maintaining the highest level of educational capability. We look forward to re-opening and seeing all of our students and employees!

Sincerely,  
The DEC Pandemic Team
