- Is committed to promoting fairness and equity in all aspects its operations; and
- Values and promotes the equal dignity of all community members and is committed to the pursuit of just resolutions with respect the rights of all parties involved.

This Policy is adopted to prevent discrimination prohibited under Title IX and provide a prompt, fair, and impartial process to address complaints of alleged discrimination based on sex.

Inquiries about this Policy or the application of Title IX may be referred to Douglas Education Center’s Title IX Coordinator, the Assistant Secretary of the Department of Education’s Office for Civil Rights, or both.

II. Overview of Title IX Policy and Grievance Process: General Provisions

How to Make a Report or Formal Complaint of an Alleged Title IX Violation

Any person may report alleged sex discrimination, sexual harassment, or retaliation to the Title IX Coordinator, irrespective of whether the reporting person is the alleged victim of such conduct. A report is differentiated from a Formal Complaint ("Complaint"), which is a document filed/signed by the Complainant or signed by the Title IX Coordinator alleging sexual harassment and requesting that the School investigate the allegation(s) and implement the School's Grievance Process. A report or complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail at any time (including during non-business hours), using the contact information in the section immediately above or as described below:

- 1) To the Title IX Coordinator: Michael Crosby, Administration Building, Room 203, 130 Seventh Street Monessen, PA 15062.
- 2) The School's online reporting form at <https://www.dec.edu/title9>.
- 3) By telephone via the School's harassment/discrimination hotline 724-653-2196.
- 4) By email at tixcoordinator@dec.edu.

After Making a Report or Formal Complaint

Upon receipt of a report or Complaint, the Title IX Coordinator shall undertake an initial assessment to determine appropriate next steps as required under this Policy, including making an initial threat assessment to ensure there is no immediate danger to Complainant or the campus community and, if there is, to take appropriate action, which may include emergency removal of Respondent as described below.

The Coordinator shall contact Complainant to discuss the availability of appropriate supportive measures that may be implemented with input from the Complainant irrespective of, and in addition to, any resolution process including the formal Grievance Process, and will notify Complainant about the right to have an advisor.

If the report has been made without filing a Complaint, the Title IX Coordinator will review the allegations and discuss options with the Complainant, including the option of proceeding with a Complaint. If the Complainant does not want to proceed with a Complaint, the Coordinator may initiate a Complaint if the Coordinator determines that a Complaint is warranted.

If the Complainant files a Complaint, or the Title IX Coordinator initiates a Complaint, the matter will proceed as described under the Grievance Process.

After submission of a Complaint and after notifying the Respondent of the Complaint's allegations, the parties will be notified of the availability of informal resolution, as applicable. All parties must voluntarily consent in writing to any informal resolution process. The parties may withdraw such consent at any time and resume the formal Grievance Process.

At all stages of the process, irrespective of any resolution or grievance process which may be implemented, responsive and reasonable supportive measures will be implemented to ensure continued access to the School's educational program or activities.

Informal Resolution

Informal resolution involves a mutual agreement by the parties to resolve the matter by mutual agreement. Informal resolution may not be used when formal resolution is desired by a reporting party or where the Title IX Coordinator/designee has determined that Douglas Education Center needs to proceed with an investigation. Informal resolution may take place at any time prior to a decision being issued in a hearing or a respondent taking responsibility. The informal resolution process will be conducted by the Title IX Coordinator. Both the complainant and the respondent have the right to end the informal resolution process at any time. Any informal resolution must be acceptable to the complainant, the respondent, and the Title IX Coordinator.

If a resolution is reached, the complainant and the respondent shall be notified in writing, and the Title IX Coordinator will confer with appropriate parties to memorialize the agreed upon resolution and any consequences for non-compliance in a memorandum. This memorandum will be included in the respondent's student record. If no agreement is reached within a reasonable time, the Title IX Coordinator shall proceed with the formal resolution process.

Informal resolution does not result in findings related to responsibility.

Emergency Removal of Respondent

The School reserves the right to remove a Respondent from its education program or activities on an emergency basis when the Respondent poses an immediate threat to the health or safety of any student or campus community member. The School will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. If an emergency removal is imposed, the Respondent will be given notice of the removal and the option to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the removal should not be implemented. Emergency removal decisions are not subject to Appeal.

Administrative Leave of Employee Respondent

Respondents that are School employees may be placed on administrative leave during the pendency of a grievance process as determined by the School and the Title IX Coordinator.

Complainant's Decision to Pursue a Complaint

If a Complainant does not wish to be identified, does not wish for an investigation to take place, or does not want a Complaint to be pursued, the Complainant may make such a request to the Title IX Coordinator, who will evaluate the request in light of the duty to ensure campus safety and compliance with state and federal law. The School will comply with Complainant's wishes unless the Coordinator determines that initiating a Complaint is warranted under the circumstances.

If the Coordinator independently initiates a Complaint, the Complainant may have as much or as little involvement in the process as the Complainant desires. The Complainant retains all rights of a Complainant under this Policy irrespective of participation level. Irrespective of whether a Complaint is filed, the School shall offer supportive measures to ensure Complainant's continued access to the School's educational program and activities. If the Complainant elects not to file a Complaint, the Complaint shall retain the right to file a Complaint later.

Complaint Dismissal

Mandatory Dismissal

The School must dismiss a Complaint if, at any time during the investigation or hearing, it is determined that:

- 1) The conduct alleged in the Complaint does not constitute sexual harassment as defined in under Title IX; and/or
- 2) The conduct did not occur in an educational program or activity controlled by the School (including buildings or property controlled by recognized student organizations); and/or
- 3) The School does not have jurisdiction over the Respondent; and/or

- 4) The conduct did not occur against a person in the United States; and/or
- 5) At the time of filing a Complaint, the Complainant is not participating in or attempting to participate in the education program or activity of the School.

Discretionary Dismissal

The School may dismiss a formal complaint or any allegations therein if at any time during the investigation or hearing:

- 1) A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Complaint or any allegation therein; or
- 2) The Respondent is no longer enrolled in or employed by the School; or
- 3) Circumstances prevent the School from gathering evidence sufficient to reach a determination as to the Complaint or allegations therein.

Upon any dismissal, the School shall promptly send written notice of the dismissal and its rationale simultaneously to the parties. This dismissal decision is appealable by any party under the procedures for appeal below.

Dismissed Complaints may include conduct that could be considered a potential violation of the School's Institutional Sexual Misconduct Policy and may be addressed through other applicable, non-Title IX conduct policies and procedures accordingly.

Consolidated Complaints

If a Complaint involves one or more Complaint, Complainant and/or Respondent and allegations arising out of the same set of circumstances, the School may elect to consolidate complaints.

Time Limits on Reporting

There is no time limitation on making a report or Complaint. However, acting on reports or Complaints is significantly impacted by the passage of time and occurrence of other events (including, but not limited to, the rescission or any revision of this Policy), and is at the discretion of the Title IX Coordinator, who may, among other things, document allegations for future reference, offer supportive measures and/or Remedies, and/or engage in informal or formal action, as appropriate. Additionally, if the Respondent is no longer subject to the School's jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide Remedies may be more limited or impossible.

Anonymous Report or Complaint

If a Complainant makes a report anonymously, it will be investigated by the School to the extent possible, both to assess the underlying allegation(s) and to determine if supportive measures or Remedies can be provided. Anonymous reports typically limit the School's ability to investigate and respond, depending on what information is shared. In some situations, the Title IX Coordinator

may proceed with the issuance of a Formal Complaint even when the Complainant's report has been made anonymously.

Confidentiality

The School shall undertake reasonable efforts to preserve the confidentiality of reports and Complaints. The School shall not disclose any report or Complaint except as provided herein and as necessary to effectuate this Policy, or as permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g; FERPA regulations, 34 CFR part 99, or as required under applicable law.

Certain professionals have a legal and/or ethical responsibility to maintain communications made in the scope of their professional roles in strict confidence.³ Some of these roles include licensed professional counselors/mental health providers, licensed medical and health care providers, victim advocates, ordained/licensed clergy, licensed attorneys and rape crisis or domestic violence resources. Complainants or Respondents wishing to speak to someone confidentially are encouraged to seek out such resources. Communications with such professionals are considered legally privileged and cannot be revealed without a party's express written consent.

Supportive Measures

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties to restore or preserve access to the School's education program or activity, including measures designed to protect the safety of all parties or the School's educational environment, and/or deter harassment, discrimination, and/or retaliation.

The Title IX Coordinator promptly makes supportive measures available upon receipt of a report or a complaint alleging possible sexual harassment. At the time that supportive measures are offered, the School will inform the Complainant, in writing, that they may file a formal complaint with the School either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the Complainant to ensure that their wishes are taken into account with respect to the supportive measures that are planned and implemented.

The School shall maintain the confidentiality of the supportive measures to the greatest extent reasonably practicable, provided that confidentiality does not impair the School's ability to provide supportive measures or otherwise fulfill its obligations under this Policy. The School will implement measures in a way that does not unreasonably burden the other party.

Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, referral to medical or healthcare services, referral to community-based services, campus escort services, mutual

³ In highly limited circumstances, such as when presenting an immediate threat or danger to another, or when subject to a court order, confidential communications may be revealed without the consent of a party.

restrictions on contact between the parties, changes in work locations, increased monitoring of certain areas of the campus, and other similar measures.

Alcohol and Drug Use Amnesty

The health and safety of every student at Douglas Education Center is of utmost importance. Douglas Education Center recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time sexual misconduct occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Douglas Education Center strongly encourages students to report incidents of sexual misconduct. A witness to or individual who experience sexual misconduct, acting in good faith, who discloses any incident of sexual misconduct to Douglas Education Center officials or law enforcement will not be sanctioned under Douglas Education Center's code of conduct for violations of alcohol and/or drug use policies occurring at or near the time of the incident(s) of sexual harassment or sexual violence. Douglas Education Center may request the individual attend an approved alcohol or drug education program and without assessing any charges for such program. This amnesty provision also applies to student groups making a report of sexual misconduct. Amnesty does not preclude or prevent action by police or other legal authorities pursuant to relevant state or federal criminal statutes.

Amnesty is not applicable to more serious allegations, such as physical abuse of another or illicit drug distribution.

Right to an Advisor

The parties have the right to select an advisor of their choice to accompany them to any or all meetings and interviews during the resolution process. There are no limits on who can serve as an advisor; it may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. Under Title IX, cross-examination is required during the hearing, and must be conducted by the parties' advisors. If a party selects an advisor of their choice, this advisor must perform cross-examination on their behalf during the hearing, as the parties are not permitted to directly cross-examine each other or any witnesses. If a party does not have an advisor, or the advisor does not appear for a hearing, the School will provide one for the limited purpose of conducting cross-examination on behalf of the party.

An advisor who is also a witness to the allegations in the complaint creates potential for bias and conflict-of-interest. A party who chooses an advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-maker(s) and may, but will not necessarily, impact the Final Determination.

The School cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not select or retain an attorney or cannot afford an attorney, the School is not obligated to provide the other party with an attorney.

Conflict-of-Interest & Bias

Title IX Personnel are trained to ensure they have no conflict of interest and are not biased for or against any party in a specific case, or for or against Complainants and/or Respondents, generally. To raise any concern involving bias, conflict of interest or other misconduct by any Title IX Personnel contact the School's President Jeffrey Imbrescia at 724-653-2200 or jimbrescia@dec.edu to report your concern.

Resolution Timeline

The School will make a good faith effort to complete the resolution process fairly and promptly. Duration of a matter that proceeds through the Formal Grievance Process is determined by many factors including, but not limited to, the cooperation and availability of the parties and witnesses, potential concurrent criminal investigations, and the School closures, among others. The School will avoid all undue delays within its control and will grant reasonable extensions of time, upon written request and showing of good cause, by a party. The School shall provide the parties written notice of delays and/or extensions, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

Notifications to Parties

All notifications to the parties noted herein will be made by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official School records, or emailed to the parties' School-issued email or otherwise approved account. Once mailed, e-mailed and/or received in-person, notice will be presumptively delivered

Clery Act Reporting

Reports or complaints of sexual assault, domestic violence, dating violence, and/or stalking that pose a serious or continuing threat of bodily harm or danger to members of the campus community may trigger a timely warning obligation by the School under the Clery Act. If a warning is deemed necessary, the School will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

In addition, the School is obligated to report and disclose crimes under the Clery Act, including the crimes of sexual assault, domestic violence, dating violence and stalking as defined in this Policy, for statistical reporting purposes only. Reports of these crimes do not include personally identifiable information and therefore preserves the confidentiality of any involved parties.

Retaliation

The School prohibits retaliation under this Policy. Retaliation may include intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made

a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy and procedure. Alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. The School will take appropriate action to protect individuals who fear that they may be subjected to retaliation.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this Policy and procedure does not constitute retaliation. Relatedly, a determination of responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

The School's Mandatory Response Obligations

Douglas Education Center's mandatory response obligations under this Policy arise when Douglas Education Center has Actual Knowledge of conduct that may constitute sexual discrimination, harassment, or retaliation, as defined herein. Actual Knowledge occurs when the Title IX Coordinator or a School official with authority to implement corrective measures ("OWA")⁴ becomes aware of the potential occurrence of such conduct. Actual notice received by any of these OWAs constitutes Actual Knowledge upon which the School's mandatory response obligations arise under this Policy. Additionally, the School has identified Mandated Reporters⁵ who are required under the School's policy to report known or suspected discrimination to the Title IX Coordinator. In these cases, the School must act to stop, remedy and prevent future recurrence of prohibited conduct through application of this Policy.

Confidential Resources

Certain individuals are designated as Confidential Resources⁶. For reports made to employees designated with having confidentiality, Douglas Education Center will respect the reporting party's expectations of privacy **to the extent permissible by law** while still ensuring compliance with other reporting obligations. For example, complaints involving minors are subject to mandatory reporting requirements.

Individuals designated as having confidentiality are able to offer supportive services without being obligated to make a report to the Title IX Coordinator. Confidential resources will not

⁴ The following have been identified and designated as OWAs: Jeffrey Imbrescia: School President, Julian Imbrescia: Vice President of Academic Affairs, and Amanda Phillips: Executive Director of Operations.

⁵ The School has identified the following as Mandated Reporters: All DEC employees, except those listed as Confidential Resources are considered Mandated Reporters.

⁶ The School has identified the following as Confidential Resources: Ali Fleeman: Career Services and Alumni Coordinator, Dejah Gilgour: Tom Savini Instructor, Karen Nelson: Cosmetology Supervisor, Ellen Pritchard: Allied Health Program Coordinator, Heaven Caldwell: Coordinator of CDL Program, and Robert Tinnell: Director of George A. share information with the Title IX Coordinator or any other employee of Douglas Education Center without the express permission of the disclosing party.

If given permission by the disclosing party, Confidential Resources are required to report the nature, date, time and general location of an incident to the Title IX coordinator. Confidential resources will not share other information with the Title IX Coordinator or any other employee of Douglas Education Center without the express permission of the disclosing party. Confidential resources can provide information about Douglas Education Center and off-campus resources, support services and other options. As noted above, because of the confidential nature of these resources, disclosing information to or seeking advice from a confidential resource does not constitute a report or complaint to Douglas Education Center and will not result in a response or intervention by Douglas Education Center. A person consulting with a confidential resource may later decide to make a report to Douglas Education Center and/or law enforcement.

Notice, Dissemination and Publication of Policy

Title IX requires Douglas Education Center to notify applicants for admission or employment as well as students, employees, and, if applicable, unions or professional organizations holding collective bargaining of collective agreements with the School, of this Policy. Douglas Education Center complies with Title IX's notice requirements, including prominently publishing its Non-Discrimination & Grievance Process Policy and contact information for the Title IX Coordinator on its website and in other publications.

- (ii) Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- (iii) Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

Force, Coercion, Consent, and Incapacitation

As used in the offenses above, the following definitions and meanings apply:

Force: Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent.

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

Coercion: Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Consent: A knowing and voluntary agreement to engage in specific sexual activity at the time of the activity. In order to be valid, consent must be knowing, voluntary, active, present and ongoing. Consent is not present when an individual is incapacitated due to alcohol, drugs, or

sleep, or otherwise without capacity to provide consent due to intellectual or other disability or other condition.

Since individuals may experience the same interaction in different ways, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to being kissed back.

Consent can also be withdrawn at any time. If consent is withdrawn, that sexual activity should cease.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent.

Proof of consent or non-consent is not a burden placed on either party involved in an incident. Instead, the burden remains on Douglas Education Center to determine whether this Policy has been violated. When determining whether a person has the capacity to provide consent, Douglas Education Center will consider whether a sober, reasonable person in the same position knew or should have known that the other party could or could not consent to the sexual activity. When determining whether consent has been provided, all the circumstances of the relationship between the parties will be considered.

Incapacitation: A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or other drugs. As stated above, a Respondent violates this Policy if they engage in sexual activity with someone who is incapable of giving consent.

When alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. When drug use is involved, incapacitation is a state beyond being under the influence of or impaired by the use of the drug. Alcohol and other drugs impact each individual differently. Determining whether an individual is incapacitated requires an individualized determination.

It is a defense to an alleged sexual assault violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard which assumes that a reasonable person is both sober and exercising sound judgment.

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs.

Jurisdiction of the School

If the Respondent is unknown or is not a member of the School community, the Title IX Coordinator will assist the Complainant as requested in identifying appropriate campus and local resources and support options and/or, when criminal conduct is alleged, in contacting local or campus law enforcement to file a police report upon request.

Further, even when the Respondent is not a member of the School’s community, supportive measures, remedies, and resources may be accessible to the Complainant by contacting the Title IX Coordinator. In addition, the School may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from School property and/or events. All vendors serving the School through third-party contracts are subject to the policies and procedures of their employers, or if applicable, to these policies and procedures to which their employer has agreed to be bound by their contracts.

Scope of the School’s Educational Program and Activities

For purposes of this Policy, the School’s educational program or activities includes locations, events, or circumstances, within the U.S., where the School exercises substantial control over both the Respondent and the context in which the alleged sexual harassment or discrimination occurs and also includes any building owned or controlled by the School or by a student organization that is officially recognized by the School. It also includes online, and cyber manifestations of conduct prohibited by this Policy, when those behaviors occur in or have an effect on the School’s education program and activities or use the School networks, technology, or equipment.

IV. Formal Grievance Process

If a Formal Complaint is filed, the matter will proceed through the Grievance Process as outlined below and will include an objective investigation, live hearing with opportunity for cross-examination and the right to appeal. This process will treat complainants and Respondents equitably. Any provisions, rule or practice adopted by the School as part of the grievance process, other than those required under Title IX and its implementing regulations will apply equally to both parties. The process will include an objective evaluation of all relevant evidence (inculpatory and exculpatory), will be conducted by trained Title IX Personnel, free from any known conflict of interest or bias, and presumes Respondent’s non-responsibility until and unless demonstrated otherwise by the evidence and after a Final Determination as been rendered. Disciplinary sanctions

or punitive measures will not be imposed against a Respondent unless and until there has been a finding of responsibility after application of the process. If at any stage of the investigation it is determined that conditions exist warranting dismissal, the complaint will be dismissed. Complainant will continue to be entitled to appropriate supportive measures in such cases.

The School requires impartiality in the process by ensuring there are no actual or apparent conflicts of interest or disqualifying biases of any Title IX Personnel. The parties may, at any time during the resolution process, raise a concern regarding bias, conflict of interest, or any irregularity which may taint the impartiality of the process. Such concerns should be reported in writing to the Title IX Coordinator, or the School's Principal], who will evaluate the concern and take appropriate corrective action to ensure integrity of the process.

Notice of Allegations

The Title IX Coordinator will provide written notice of the allegations to the Respondent and Complainant upon receipt of a Formal Complaint. The notice will be provided prior to any initial meeting or interview with the Respondent and their advisor, if applicable, allowing sufficient advanced notice to prepare.

The notice will include:

- A meaningful summary of all allegations,
- The identity of the parties (if known),
- The precise misconduct being alleged,
- The date and location of the alleged incident(s) (if known),
- The specific policies alleged to have been violated,
- A description of the applicable procedures,
- A statement of the potential sanctions/responsive actions that could result,
- A statement that Respondent is presumed not responsible for the reported misconduct unless and until a Final Determination has been rendered at the conclusion of the process,
- Notice that the parties will be given an opportunity to inspect and review all directly related and relevant evidence obtained during the investigation,
- The School's policy on retaliation,
- Information about the privacy of the process,
- The right to have an advisor of their choice, who may be, but is not required to be, an attorney,
- A statement informing the parties that the School's policy prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
- Detail on how the party may request disability accommodations during the interview process,
- An instruction to preserve any evidence that is directly related to the allegations.

Investigation

Trained Investigators will be assigned to investigate allegations contained in a Formal Complaint and will do so objectively. The burden to collect all evidence related to the allegations, including both inculpatory and exculpatory, rests on the School, and not on the parties. Investigators must be free from bias and conflicts of interest. Depending on the complexity of the case, more than one Investigator may be assigned.

Investigation Timeline

The School will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation. The School may undertake a reasonable delay in its investigation under appropriate circumstances. Such circumstances include, but are not limited to, a concurrent law enforcement investigation, the need for language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions. The School will communicate in writing the anticipated duration of the delay and reason to the parties and provide the parties with status updates as warranted. The School will promptly resume its investigation and resolution process as soon as feasible. During such a delay, the School will implement supportive measures as deemed appropriate.

Concurrent Law Enforcement Investigation or Criminal Proceedings

The School's grievance process is an administrative procedure required under Title IX to address sexual discrimination, and therefore is separate and independent of any law enforcement investigation or criminal proceedings. While a law enforcement investigation may necessitate a temporary delay in the School's grievance process, such law enforcement investigation does not replace the School's grievance process, as the School is legally obligated to address and remedy potential sexual harassment in its educational programs and activities as set forth in this Policy.

The Investigation Process

Investigators serve free from conflict of interest, objectively and without bias. All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all relevant parties and witnesses and obtaining available, relevant evidence. The School, not the parties, bears the burden of gathering evidence and burden of proof. Parties have equal opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.

The investigation will be conducted within a reasonably prompt timeframe, allowing for thorough collection and evaluation of all evidence related to the allegations. The investigator will keep the parties informed as to estimated timelines, and any delays.

Prior to the conclusion of the investigation, the parties will be provided with an electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the allegations in the Formal Complaint, (whether or not it will be used in reaching a determination. The parties

will have a ten (10) day review and comment period so that each party may meaningfully respond to the evidence.

The Investigator will incorporate any relevant feedback provided by the parties during the review process, and the final report is then shared with all parties and their advisors through electronic transmission or hard copy at least ten (10) days prior to a hearing.

Role and Participation of Witnesses in the Investigation

Witnesses who are School employees are expected to cooperate with and participate in the School's investigation and resolution process. Failure of such witnesses to cooperate with and/or participate in the investigation or resolution process constitutes a Policy violation and may warrant discipline.

Interviews may occur in-person or remotely. Skype, Zoom, FaceTime, WebEx, or similar technologies may be used. The School will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

Recording of Interviews

No unauthorized audio or video recording of any kind is permitted during investigation meetings. If Investigator(s) elect to audio and/or video record interviews, all involved parties must be made aware of and consent to audio and/or video recording.

Evidentiary Considerations in the Investigation

The investigation includes collection of all evidence directly related to the allegations, which is not otherwise privileged. Only evidence which is also deemed relevant is summarized in the investigative report which is considered by the Decision-Maker(s), in rendering a determination of responsibility. All parties are provided the opportunity to review all non-privileged evidence gathered during the investigation which is directly related to the allegations in the complaint, whether or not it is also included in the investigative report. All parties are also provided with a copy of the investigative report summarizing relevant evidence only.

Relevant evidence does not include evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such evidence is offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the evidence concerns specific incidents of the Complainant's prior sexual behavior with respect to the Respondent, and are offered to prove consent.

Privileged evidence is likewise excluded from both the investigation, investigative report and hearing unless a party expressly waives this privilege in writing and consents to the release of this information during the grievance process.

Investigative Report

Upon conclusion of the investigation, the Investigator will create an investigative report that fairly

summarizes relevant evidence and, at least ten (10) days prior to a hearing, will send the report to each party and the party's advisor, if any, the investigative report in an electronic format or hard copy, for their review and written response.

The Hearing

Upon conclusion of the investigation and distribution of the investigative report to the parties, the matter will proceed to the hearing stage of the grievance process. The hearing will be offered live, in real-time and will include cross-examination. A Decision-maker(s) will be appointed to preside over the hearing, evaluate the evidence and make a determination as to each allegation in the complaint. The Decision-maker will be independent and neutral, and will not have had any previous involvement with the investigation. Investigators, Title IX Coordinator (or designee) or advisors are prohibited from serving as Decision-makers.

The School reserves the right to adopt any hearing protocols, which will be applied and be made available equally to both parties, to ensure the efficiency, order and decorum of the hearing process. Any such protocols will be provided in writing to the parties, witnesses and participating individuals at least ten (10) days prior to the scheduled hearing date.

The School may designate an administrative facilitator of the hearing, which may include the Title IX Coordinator, as long as they do not have a conflict of interest.

The School may conduct the hearing virtually at their discretion or upon request of a party. Request for remote participation by any party or witness should be directed to the Title IX Coordinator made at least 5 business days prior to the hearing.

The Decision-maker may question the parties and any witness at the hearing.

Only relevant questions, testimony and evidence may be proffered at the hearing, and the Decision-maker will make determinations as to relevancy of every question posed by an advisor during cross-examination before it is answered, and of any evidence offered.

Privileged evidence or testimony, likewise, may not be proffered during the hearing, without a party's waiver and written consent allowing its consideration at the hearing.

Parties may not conduct cross-examination. Advisors only will conduct cross-exam on a party's behalf. Only relevant questions will be allowed.

Parties, advisors, witnesses, and all participating individuals are expected to behave respectfully during the hearing. Harassing, intimidating or disruptive behavior will not be tolerated, and the School reserves the right to exclude anyone from participation in the process that fails to comport themselves accordingly.

An audio or audiovisual recording, or transcript will be made of the hearing, and will be made available to the parties for inspection and review. No other recording of the hearing will be allowed.

Evidentiary Considerations in the Hearing

Only Relevant Evidence Allowed

Any evidence that the Decision-maker(s) determine(s) is relevant and credible may be considered. Only evidence, which is directly related to the allegations, not subject to an enforceable legal privilege and not otherwise excludable as described here is considered relevant.

The hearing does not consider the following which are deemed not relevant: 1) incidents not directly related to the possible violation, unless they evidence a pattern; or 2) questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Privileged Evidence Must be Excluded

Evidence subject to any recognized legal privilege will not be allowed in the hearing without the prior written waiver of the privilege and consent for its consideration during the grievance process.

Final Determination as to Responsibility and Standard of Proof

Upon completion of the hearing, the Decision-maker will deliberate privately and will render a finding as to each allegation in the complaint by applying the preponderance of the evidence; whether it is more likely than not that the Respondent violated the Policy as alleged. The decision will be provided simultaneously to the parties through the issuance of a written determination letter, delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official the School records, or emailed to the parties' the School-issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The determination letter will include:

1. Identification of the allegations potentially constituting sexual harassment as defined under the Policy;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits methods used to gather evidence, and hearing held;
3. Findings of fact supporting the determination;
4. Conclusions regarding application of the School's code of conduct to the facts;
5. A statement, and rationale for, the results as to each allegation, including a determination regarding responsibility, and disciplinary sanctions the School imposes on the Respondent,

and whether remedies designed to restore or preserve equal access to the Schools' education program or activity will be provided by the School to the Complainant; and

6. The School's permissible bases for the Complainant and Respondent to appeal.

The determination regarding responsibility becomes final after expiration or exhaustion of any appeal rights.

Sanctions, Disciplinary Action & Remedies

The School may consider a number of factors when determining a sanction and/or remedy and will focus primarily on actions aimed at ending, and preventing the recurrence of, discrimination, harassment, and/or retaliation and the need to remedy the effects its effects on the Complainant and campus community. Sanctions will be imposed upon either expiration of the appeal window, or after Final Determination on any appeal filed.

Sanctions or actions may include, but are not limited to, those listed below. These may be applied individually or in combination and the School may assign sanctions not listed, as deemed appropriate.

List of Student Sanctions

Warning: A formal statement that the conduct was unacceptable and a warning that further violation of any School policy, procedure, or directive will result in more severe sanctions/responsive actions.

Required Counseling: A mandate to meet with and engage in external counseling to better comprehend the misconduct and its effects.

Probation: A written reprimand for violation of School policy, providing for more severe disciplinary sanctions in the event that the student or organization is found in violation of any School policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.

Permanent Order of No Contact: An order which forbids any type of in-person or virtual interaction between the Complainant and Respondent during their remaining period of enrollment.

Suspension: Termination of student status for a definite period of time not to exceed two years and/or until specific criteria are met. Students who return from suspension are automatically placed on probation through the remainder of their tenure as a student at the School.

Expulsion: Permanent termination of student status and revocation of rights to be on campus for any reason or to attend School-sponsored events.

List of Employee Sanctions:

Warning – Verbal or Written

Required Counseling

Written Warning with Probation

Termination

Other Actions: In addition to or in place of the above sanctions, the School may impose any other sanction as deemed appropriate.

False Allegations and Evidence

Making deliberately false and/or malicious accusations, knowingly providing false evidence, tampering with or destroying evidence, or deliberately misleading an official conducting an investigation are policy violations subject to discipline.

Long-Term Remedies/Other Actions

Following the conclusion of the resolution process, and in addition to any sanctions imposed, the Title IX Coordinator may implement additional long-term Remedies or actions with respect to the parties and/or the campus community that are intended to stop the harassment, discrimination, and/or retaliation, remedy the effects, and prevent reoccurrence.

These Remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Education to the individual and/or the community
- Climate surveys
- Policy modification
- Training or awareness campaigns
- Implementation of long-term contact limitations between the parties
- Adjustments to academic deadlines, course schedules, etc.
- Modified campus security measures

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no Policy violation is found.

The School will maintain the privacy of any long-term Remedies, provided privacy does not impair the School's ability to provide these services.

Failure to Comply with Disciplinary Sanctions or other Remedies

Respondents are expected to comply with any disciplinary sanction or remedy as set forth in the Final Determination or in response to a final outcome. Failure to abide by the sanction(s)/action(s) whether by refusal, neglect, or any other reason, may result in additional disciplinary action, including suspension, expulsion, and/or.

Appeals

Any party may file an Appeal on the following grounds. Appeals must be submitted in writing to the Title IX Coordinator within 3 days of the delivery of the Notice of Outcome. After expiration of the appeal window, the determination will be considered final, and any applicable sanctions will be imposed.

Grounds for Appeal

Appeals may be made on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.

Any sanctions imposed as a result of the Final Determination are stayed during the appeal process.

Title IX personnel with prior involvement in the matter will not be permitted to serve as a Decision-maker in the appeal. Appeals will not include a hearing. A decision on the merits will be based on information provided in the appeal document. If an appeal is based on the availability of new evidence, this evidence must be described with specificity and must be available for review within a reasonably prompt timeframe for consideration.

The appeal outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, and the rationale supporting the findings. Appeal decisions will be made within seven (7) business days, barring exigent circumstances, including the review of new evidence not immediately available for submission with the appeal request. Decisions on appeal will be made by applying the preponderance of evidence standard.

Notification of the appeal outcome will be made in writing and will be delivered simultaneously to the parties by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official School records, or emailed to the parties' School-issued email or otherwise approved account. Once mailed, e-mailed and/or received in-person, notice will be presumptively delivered. Decisions on appeal are considered final.

Record Retention

The School shall maintain the following records related to the implementation of this Policy for at least seven years:

1. Reports or Formal Complaints alleging sexual discrimination, including harassment.
2. Records of any dismissal of a Formal Complaint.
3. Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under federal regulation;
4. Any disciplinary sanctions imposed on the Respondent;
5. Any Remedies implemented by the School designed to restore or preserve equal access to the School's education program or activity;
6. Any appeal and the result therefrom;
7. Any Informal Resolution and the result therefrom;
8. All materials used to train Title IX Coordinators, Investigators, Decision-makers, and any person who facilitates an Informal Resolution process. The School will make these training materials publicly available on the School's website. (Note: If the School does not maintain a website, the School must make these materials available upon request for inspection by members of the public.); and
9. Any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment, including:
 - a. The basis for all conclusions that the response was not deliberately indifferent;
 - b. Any measures designed to restore or preserve equal access to the School's education program or activity; and
 - c. If no supportive measures were provided, document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

Revision of this Policy

This Policy and procedures supersede any previous policy(ies) addressing harassment, sexual misconduct, discrimination, and/or retaliation under Title IX and will be reviewed and updated subject to any relevant change in law or School policy, and on a recurring periodic basis, by the Title IX Coordinator. The School reserves the right to make changes to this Policy as necessary, which become effective when published.

This Policy will not restrict any rights guaranteed against government action by the U.S. Constitution and should be interpreted accordingly and should also be construed to comply with the most recent government regulations or applicable judicial decisions.

This document does not create legally enforceable protections beyond the protection of the background state and federal laws which frame such policies and codes, generally.

This Policy and procedures are effective August 14th, 2020.

The School receives notice when an employee, student, or third-party informs the Title IX Coordinator or other Official with Authority of the alleged occurrence of harassing, discriminatory, and/or retaliatory conduct. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge.

Complainant. An individual who is alleged to be the victim of conduct that could constitute harassment, discrimination or retaliation under Title IX.

Consolidated Complaint. A formal complaint with more than one Complainant or Respondent arising when multiple parties submit formal complaints arising out of the same facts and circumstances and as deemed appropriate for consolidation by the Title IX Coordinator.
